## Nominee Information

Name of Nominee \_\_\_\_\_

Please help us get to know you! Nomination forms often include statistical information, but we need more than numbers to tell your story on our website and during the Hall of Fame celebration. Tell us what you want folks visiting the website or attending the ceremony to know about you and your career! You can write it as a story, or just use any of the questions below as a start and the Hall of Fame staff will do the editing to create a fitting narrative. It will work best to type the answers and e-mail to:

[hubrex@ix.netcom.com](mailto:hubrex@ix.netcom.com)

Or, you can write or type on this form, or separate piece of paper, and mail to:

**Colorado Motorsport Hall of Fame  
616 Smith Street, Fort Collins, CO 80524**

Tell us something about how your career began. What were some of your early experiences?

Did you have heroes or mentors that changed your career? Who helped you along the way—sponsors, crew members, family members, fellow competitors:

Did you have a favorite (or least favorite) track, event, or competition memory?

Which career accomplishments are you proudest of?

How would you like to be remembered as a competitor?
